To *2/4/62* Narayanaswamy Naidu, Esq , B A ,B L ,
Secretary to the Government,

I have the honour to state that Mr P Venkataramaniah, Clerk on Rs 50/- in the grade of Ps 40-2-50, Health Officer of this Municipality, applied for six months' furlough on full pay on account of ill health and the same was granted to him with effect from 12-9-1942. He applied for extension of the leave by two months on the ground that he was still under medical treatment and that he felt very unable to sit and work. As the period of leave exceeded six months a reference was made to the District Medical Officer, Madurai, to examine Mr Venkataramaniah and furnish the necessary certificate as required under Note (3) to Act 209, 1947. In reply that officer has written to say that the medical officer in question was examined and found to be fit for duty and a copy of his letter is herein enclosed.

2 But Mr Venkataramaniah states, among other things, that he is not in a fit state of health to rejoin his duties in this Municipality, that he feels very weak and his sight is short and that he cannot, therefore, do any work and that under the circumstances he may be granted extension of leave by two months applied for by him, to recoup his impaired health. A copy of his application is herein enclosed

3 Mr Venkataramaniah was due on 12-3-1943 and he has applied for extension of leave by two months from that date. He has already taken 11 months and 19 days' furlough on full pay and has only 11 days' furlough on full pay at his credit. The rest of the period has, therefore, to be treated as furlough on half pay to which he is entitled. As the total period of leave exceeds six months and as the official pleads his inability to rejoin duty, while the District Medical Officer certified that he is fit for duty, I request the favour of orders of Government in the matter. I, however, feel that Mr Venkataramaniah is really not fit and that the leave asked for may be granted.

I have the honour to be,
Your most obedient servant,

Mr P Venkataramanah, clerk on leave

"I, the undersigned, most respectfully and humbly beg to submit the following few lines to your kind and sympathetic consideration and favourable orders

"I beg to submit that I have been on long leave due to ill health from the 12th September 1942. After this period was over I could not rejoin my duty as I was still unwell and was under medical treatment and that therefore I prayed for an extension of two more months from that date

"In obedience to your office memo No M4-628-1/42-4 dated the 23rd March 1943, directing me to appear before the District Medical Officer Mysore, for being examined by him, I beg to report that I appeared before that officer on the 24th of March and the 26th, but no examination was held. This fact was brought to the kind notice of the President

Now that I beg to submit further that I am not in a fit state of health to rejoin my duties, for I feel very weak and my sight is short and for these disabilities I have been under medical treatment

"In view of the above fact, I humbly beg of you to be so kind as to grant me the extension of leave for two months as prayed for by me already and thus help me to recoup my impaired health. From

PRE IDENT CITY MUNICIPAL COUNCIL

MYSORE

To

C Narayanaswamy Naidu, Esq, B A, B L,
Secretary to Government, Law Department,
Bangalore

Sir,

With reference to your letter No L 11002/V1 11-42-76 dated the 13th May 1943 regarding the grant of leave to Mr P Venkataramanay, Head Clerk of the Health Section of this Municipality, I have the honor to state that the said official has just completed his 53rd year of age, the date of his birth being 3rd April 1890 and has put in 31½ years of service, having joined service on 1st December 1911. When he first applied for leave for six months on account of ill-health, it was reported by the Health Officer that this official was really suffering from Anaemia and general weakness and he was therefore granted the leave applied for by him. Instead of joining duty on 12th March 1943 when he was due after leave, Mr Venkataramanay applied for an extension of leave by two months from that date. As already reported in para 3 of my letter dated 19th April 1943, the District Medical Officer who examined him, certified that the official was fit for duty, while Mr Venkataramanay pleaded his inability to rejoin duty on the due date, viz 12th March 1943.

2 This official has since applied for further extension of leave by two months from 12th May 1943, in all for four months from 12th March 1943. As he represented to me that he has been suffering from eye troubles and that he cannot therefore join duty, a reference was made to the Medical Officer in charge of Sri Krishnarajendra Hospital where he is undergoing treatment, to examine the official and furnish the necessary certificate. The Medical Officer has recommended 6 months' leave to Mr Venkataramanay. A copy of his letter received in this behalf is enclosed.

3 With regard to your query as to the difficulty in granting the

P T.O {

the official leave if he is really ill and unable to attend to his duties, it may be stated that under Note (3) to Art 209, M S R grant of leave with full pay exceeding six months required a medical certificate, and since the District Medical Officer found Mr Venkataramanaiah fit for duty and as the official pleaded his inability to rejoin the appointment, orders of Government for granting the leave which exceeded six months were sought for As the Medical Officer in charge of Sri Krishnarajendra Hospital who examined him since has recommended leave, I am granting Mr Venkataramanaiah the two further extensions of leave applied for by him (four months in all from 12th March 1943) on the strength of that certificate

I have the honour to be,
